AGREEMENT

WHEREAS,

Gilbert BLOCH, (deceased) a citizen of the United States previously residing at 3349 St. Malo Ct., Palm Beach Gardens, Florida 33410; and

Arnold B. FINESTONE, a citizen of the United States residing at 2400 Presidential Way, West Palm Beach, Florida 33401;

each an ASSIGNOR, is an inventor of the invention defined in **CUSHIONING SELF-CLOSING PACKAGING MATERIAL**, and which is identified by Winston & Strawn LLP Docket No. 82017-3699;

WHEREAS, TRU-TECH GROUP, INC., ASSIGNEE, a Florida corporation having a place of business at 3349 St. Malo Court, Palm Beach Gardens, Florida 33410, is desirous of acquiring all of the inventors' right, title and interest in to and under the said invention;

NOW, THEREFORE, each ASSIGNOR confirms the above recitals and that he has sold, assigned, transferred and set over unto the said ASSIGNEE, its successors, legal representatives and assigns, his entire right, title and interest in, to and under the said invention and the said United States application and all divisions, renewals and continuations thereof containing the same, and Patents of the United States which have been or may be granted thereon and all reissues and extensions thereof; and all additional applications for industrial property protection as to any technology disclosed therein including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said inventions in any country or countries other than the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and to those portions of all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which have been or which may hereafter be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

And each ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

And each ASSIGNOR hereby covenants and agrees that he has the full right to convey the entire interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict herewith;

And each ASSIGNOR hereby further covenants and agrees that he will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to him respecting said inventions, testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE or, its successors, legal representatives and assigns, to obtain and enforce proper protection for said inventions in all countries;

In witness whereof, each inventor has affixed his signature.
